PTA AWARDS PRESENTED ON FOUNDER'S DAY

Two women were honored at the annual PTA Founder's Day celebration held at the Torrance Elementary school, February 19.

Miss Venus Knoll, first grade teacher at the school, received the life membership award because of her work with parents, children and the PTA. She is one of the original faculty members and served as art chairman for the school last year.

Mrs. Edward G. Ludwig was the other recipient. She has served the PTA as corresponding secretary, character education chairman, and is now program chairman. She has also been a den mother and a Sunday school teacher.

On the Founder's Day program, Mrs. Dorothy Jamison was the guest speaker; the past presidents were honored; a skit, "The Dads Talk It Over," was presented; and two numbers were sung by Preston Haag. The sixth grade mothers were hostesses.

HARBOR YWCA

"YWCA's around the world are working on many of the same concerns that we in the Harbor Area have," Mrs. E. C. Spires, president of the Harbor Area Board of Directors, reported to that group at their February meeting.

Reports were made by the representatives of each of the three branches. Torrance was represented by the chairman, Mrs. A. E. Palmer.

Junior Garden Club Meets at Hubacek Home

At the February meeting of the Junior Greenthumbers Garden and Pet club, at the home of Mrs. Earl Hubacek, plans were made to attend a demonstration by Roy Smith, Walteria park, on the subject of obedience training for dogs, Saturday, February 23.

The Junior Greenthumbers set an age limit on membership at this meeting. It was decided that any child 6½ years or older may join, with parents' consent.

Since many of the members also belong to organizations such as cub scouts, girl scouts and boy scouts, it was agreed that they would begin working on badges in agricultural, pet and other related fields.

Members present at this meeting were Eddie Sellmeyer, Alan Sellmeyer, Tommy Patterson, Jimmy Paterson, Dennis Haley, Dale Jones; Misses Diane Stafford, Sheri Clemens, Kathy Haley, Linda Haley, Cherry Lusian, Susan Fitzgerald, Nancy Drumright, and Leslie Sautter.

CIVIC GROUP DANCE HELD

Over 300 people attended the North Torrance Civic Improvement Assn. annual Valentine dance recently at the Western Avenue Club cafe. After-dinner music for dancing was provided by Tommy Dragna's band.

John G. L. Crain, vice-president of the organization, introduced Mayor Albert Isen, Mr. and Mrs. George Powell and other prominent Torrance citizens. The elected officers of the group were also presented. They are John K. Kesson, president; Mrs. Margaret Clark, secretary; Leroy Forsythe, treasurer, and Raymond Dumias, auditor.

THE NATURE OF THE SOUL*

"The human family stands today upon the threshold of a new experience, that of Soul consciousness. Every man, woman, and child incarnate upon the planet is being brought closer to this happening by the force of evolution itself. Just as man is differentiated from the animal, in that he is a self-conscious human being, so shall he make yet another advance in awareness to become a Soul-conscious son of God. No longer must he walk in the shadow of spiritual ignorance, for the Light of his Soul is moving upon his horizon.

This movement of the Soul toward expression within and through its lower counterpart (the personality) can be seen within the . . . consciousness of the whole human family. In no area . . . is it stilled, but moves constantly to produce an awakening of man to its presence. Men and women everywhere are becoming restless, dissatisfied and overburdened with the world of material values they have created for themselves. They seek new values which will bring lasting peace to their world . . .

In recognition of and cooperation with this activity of the Soul, a new thought-form presentation of The Wisdom has been created and placed in availability for those who seek it."

Group instruction in the nature and practice of the Soul has been initiated by professional teachers specially trained and prepared to serve in this area. Day and evening classes, to be conducted in Long Beach and vicinity during the coming year, are being formed now. Both the beginner and the advanced student will discover in the new thought-form presentation of The Wisdom a way to the expansions of consciousness essential to the fulfillment of life purpose.
